

RESOURCES

Source materials come from our denomination PC(USA) and several faith-based organizations listed below and other verifiable sources. Use the contact information to learn more and find ways you can take action.

Presbyterian Church (USA)

- The PC(USA) [Office of Public Witness has ongoing opportunities to make your voice heard with your elected representatives](#) in nonpartisan ways.
- The Presbyterian Hunger Program and the Presbyterian Committee on the Self-Development of People run a wide range of programs around the world. They offer descriptions of the needs being addressed and opportunities to support and participate in their work. *“Environmental Justice is a clear place where social justice, environment, hunger and poverty come together”*.
- [Living Waters for the World](#) provides **water purification systems** and health education to communities around the world.
- [Presbyterian Disaster Assistance](#) responds to water and other related **disasters**.

[Greenfaith International](#) embodies a spiritual, moral, locally-organized and globally-connected response to environmental concerns. Green Faith Circle of Southern New Jersey brings together people of diverse faiths and spiritualities to put belief into action for the Earth. *Our Mission: Connecting people of faith and spiritual communities to inspire, influence, and motivate individuals, groups, and institutions, to protect and regenerate our living earth for current and future generations.* Also on Facebook
