

## **This Week in Sunday School 5.2.21 - Acts**

Happy Sunday, Friends,

May is here! I can't believe it! Everything about this Spring feels so much more hopeful than last year and I'm so happy to spend another Sunday with you.

This week we are focusing on the Book of Acts, also known as Acts of the Apostles, which is the follow up to the book of Luke. Jesus has ascended into heaven and we are in the early days of the church. Remember Paul the Apostle? We learned all about him in the fall. He plays a huge part in Acts, as does the disciple Peter, who we learned a lot about Peter in our Disciple lesson from a few weeks ago. The book of Acts gives the history of the Christian church and the spread of the gospel of Jesus Christ.

Finally Friends, God can do amazing things through ordinary people when He empowers them through His Spirit. Look what he did with a group of fisherman! God can and does do the same through us, changing our hearts and empowering us by the Holy Spirit.

I hope all of you know how much you are loved and missed! We can't wait to be all together at church again soon.

Take Care,
