

This Week in Sunday School - Isaiah

Happy Sunday, Friends!

It's prophet time in Sunday School this week with our deep dive into the book of Isaiah. I had this incredibly long and informative background to send you as an intro to the lesson, but I scrapped it for this overview. You're welcome.

- Isaiah was a prophet in the Old Testament, called to prophesy to the Kingdom of Judah
- Judah and it's people were a hot mess; other nations were going to take it over
- God will punish Judah and it's people, but will also show mercy and grace
- Salvation will come through the Messiah

All good? Great.

Finally Friends, We must understand God had a plan from the beginning of time—and His plan was and is being fulfilled. God's plan was revealed in Old Testament times. After Jesus' birth, people testified to God's plan. We can believe in God's plan for His Son and realize He has a plan for each of us too.

I hope all of you know how much you are loved and missed! We can't wait to be all together at church again soon.

Take Care,
